Making Christ-like Disciples in the Urban Centers of the Mesoamerica Region

When a deposit is made directly to a district or field account, please send the following information to:

Ana Betsy Marciaga de Baños (abanos@mesoamericaregion.org)

1. Please be sure that the deposit slip is clear, with the **amount** of deposit, **date** of deposit and the **transaction number** clearly visible. If the slip is faded, please trace these numbers with a pen.
2. Clearly write the PURPOSE OF THE DEPOSIT on the front of the deposit slip.

*Examples include:

1. *For: Genesis missionary Sharon Jones*
 2. *For: January NMI Offering for Volunteer Missionaries*
 3. *For: Genesis Project #XXXX*
3. Clearly write your name, district (if you are part of the Church of the Nazarene) and country on the deposit slip.
 4. Send a scanned copy of the correctly identified deposit slip (or send a picture taken with your smartphone) to abanos@mesoamericaregion.org. If your offering is directed to a specific missionary account (as in example 1 above), please copy the missionary on your email as well.

Please note that following these instructions are very important – if an offering is deposited into a district or field account but has not been identified or communicated with Ana Betsy Marciaga de Baños, the offering will not be sent on to the ministry accounts of Genesis.

If you have further questions, please email genesis@mesoamericaregion.org for clarification.
