Making Christ-like Disciples in the Urban Centers of the Mesoamerica Region

**When a deposit is made directly to a district or field account, please send the following information to:**

**J. Nahum Estrada Alcantar ([finanzasidn@outlook.com](mailto:finanzasidn@outlook.com))**

1. Please be sure that the deposit slip is clear, with the amount of deposit and the transaction number clearly visible. If the slip is faded, please trace these numbers with a pen.
2. Clearly write the PURPOSE OF THE DEPOSIT on the front of the deposit slip.

\*Examples include:

1. *For: Genesis missionary Sharon Jones*
2. *For: January NMI Offering for Volunteer Missionaries*
3. *For: Genesis Project #XXXX*

3. Clearly write your name, district (if you are part of the Church of the Nazarene) and country on the deposit slip.
4. Send a scanned copy of the correctly identified deposit slip (or send a picture taken with your smartphone) to [finanzasidn@outlook.com](mailto:finanzasidn@outlook.com). If your offering is directed to a specific missionary account (as in example 1 above), please copy the missionary on your email as well.

**Please note that following these instructions are very important – if an offering is deposited into a district or field account but has not been identified or communicated with J. Nahum Estrada Alcantar, the offering will not be sent on to the ministry accounts of Genesis.**

**If you have further questions, please email [genesis@mesoamericaregion.org](mailto:genesis@mesoamericaregion.org) for clarification.**
